This revision of the Annual Calendar is in line with the GES new calendar that requires that the 2023/24 academic year starts in October 2023. This means the current academic year will have to end in September. But as you know, OLAG's 10th anniversary will be climaxed on 30th September, which is a Saturday so students whose parents will attend the programme could pick their wards

on the same day, but the others could stay in school for the Thanksgiving Mass on Sunday and depart on Monday 2nd October for the end of academic year vacation.

Thank you
